

BACKPACKS & BICYCLES

Hit The Road!

WHO WE ARE...

Jen & Mel, a couple of newly wed travel bloggers from the UK.

In 2018 we set out to travel the world together by bike, since then we have cycled across Europe. Ditched the bikes for backpacks. Couchsurfed America, had a Vegas wedding. Travelled Japan and Southeast Asia and have not looked back since.

Both passionate writers we use our blog to share with you how we did all this by travelling wisely and only spending money when we had to.

About our blog

CREATIVE
TRAVEL
WRITING &
PHOTOGRAPHY

Our blog started out as a way to keep family and friends up to date with our travels. We called it 'Pedalling To The Wedding' and would post weekly updates but it soon blossomed into a space where we shared our stories and photographs with a huge audience of like minded travellers and once we were married Backpacks & Bicycles was born.

Our site has a little bit of everything, from our personal travel stories to some great money saving tips. A section dedicated to Cycle Touring where you can read how to give it a go yourself. Inspiring guest posts from fellow travellers and a creative section for Art, Photography and Poetry.

WHAT WE WANT...

WORK WITH US?

As much as we love sharing our stories what we love even more is hearing others! We post one inspiring story a month from our favourite bloggers and would love to do more in the future.

So if you have a travel inspired story, poem, a photograph, a drawing anything you wish to share.

We would love to have it on our website.
Send it over to us at
